## SPECIMEN TRANSFER FROM RTL AND MEDICAL DATA RELEASE AUTHORIZATION -

Client Depositor Name(s):					

### All Tissues/Specimen Types

The undersigned Client Depositor(s) request(s) the transfer of their reproductive tissue specimens from ReproTech LLC (RTL) to the physician/clinic/"facility" listed below in accordance with RTL's current policies and procedures.

It is understood that the facility acknowledges this request and will accept the transfer of the reproductive tissue specimens. Furthermore, it is recognized by the Client Depositor(s) that events beyond the control of RTL and the facility may occur during transfer and it is understood by all parties that neither the facility nor RTL are responsible for any losses in connection with or related to the shipment of the reproductive tissue specimens.

I (we) hereby authorize the transfer of my (our) reproductive tissue specimens; (1) from RTL to the facility for an anticipated Assisted Reproductive Treatment (ART) or In Vitro Fertilization (IVF) procedure, and (2) from the facility to RTL of unused specimens, if applicable. I (we) understand that RTL and the facility can neither verify nor guarantee the viability of the transferred reproductive tissue specimens being placed into storage at the facility. I (we) agree to hold RTL harmless for any claims for damage to the reproductive tissue specimens arising from acts or omissions prior to RTL's possession of such specimens. I (we) agree that RTL shall not be liable for errors, including specimen labeling errors, which occur prior to RTL's acceptance of the specimens for storage. I (we) have read and understand the policies above and hereby authorize RTL to release my (our) reproductive tissue specimens to the facility. I (we) authorize RTL to release to the facility medical data, including but not limited to: Personal biographical data, serology/virology testing data and specimen processing/cryopreservation data. This includes information about human immunodeficiency virus (HIV), acquired immunodeficiency syndrome (AIDS), and AIDS related complex (ARC), as defined by Department of Community Health rules (1989 Public Act 174).

# Specimen Shipping **Liability Protection**

ReproTech LLC, the leader in long term storage of reproductive tissues, offers a specimenshipping protection program available exclusively to our clients. While every precaution and effort istaken to ensure safe and timely delivery of specimens, shipping accidents can happen.

Specimen Shipping Liability Protection provides an inexpensive solution to help minimize the financial impact of an adverse event during shipping.

#### **Protection for:**

- Compromised specimens due to damaged or destroyed shipping tanks\*
- Compromised specimens due to dramatic change in temperature\*
- \* If protection is purchased and a claim is filed, actual policy terms and conditions will apply; protection begins once received by designated shipping carrier and ends once received at final destination.

The following affordable coverage option is available if selected at the time of Specimen Transfer Authorization:

Specimen Shipping Liability Protection will pay for out-of-pocket expenses associated with the replacement cost of lost or damaged reproductive tissue, up to a total cost not to exceed \$35,000.00. It is understood and agreed that in the event a second procedure is not possible, this protection plan would reimburse for the cost of the original procedure, up to the limit provided, and not to exceed the actual cost of the original procedure.

Total charge of \$50.00

Fees are subject to change.

ReproTech can neither verify nor guarantee the viability of the specimens being shipped.
